If you receive the following notice, go back to step three as you may have clicked in the wrong box.

The screenshot shows a registration form with four steps: 1. Choose Type ✓, 2. Basic Info, 3. Extra Info, and 4. Summary. The 'Basic Info' step is active. Below the step indicators, there is a grey box labeled 'Registering Adult 1'. An orange error message box states: 'A member with the same name and date of birth already exists. Your registration cannot be processed because:'. Below this, it says 'The email address associated with your profile is not the same' and lists two reasons: '1. email address you are using to register and will require your club administrator to amend this for you.' and '2. You have played previously for another club and require a clearance.'. Below the error message, there is a prompt: 'Please provide your personal details below followed by ticking which type/s of membership you are registering for this season.' and an important note: 'IMPORTANT: Please ensure you select ALL appropriate member types applicable to you, i.e. If you are a Player and a Coach please tick BOTH options'.
